Re: *Syniverse Technologies, Inc.*

Dear Chief Clerk:

Please find enclosed a notice and attestation from Syniverse Technologies, Inc. ("Syniverse") to cancel its competitive telecommunications authority granted in Docket No. 2007-466-C, to provide resold and facilities-based local telecommunications service. The order in that docket was Order No. 2008-253.

Note that Syniverse had recently filed to cancel its authority to resell private line telecommunications service. That authority had been granted in Docket No. 2003-290-C, by Order No. 2004-30, January 31, 2004. The Commission granted the request to cancel this authority on June 9, 2010, in Order No. 2010-49.

Syniverse's review of its records found the separate authority granted by Order No. 2008-253. It was and remains Syniverse's intent, as per the attached Notice and Attestation of David Robinson, to relinquish the entirety of its authority in South Carolina, as Syniverse serves no customers in South Carolina.

Syniverse should have also requested cancellation of its authority issued in Docket No. 2007-466-C, by Order No. 2008-253, in its prior filing, and apologizes for any confusion on this point. By this filing, Syniverse now requests that its authority issued in Docket No. 2007-466-C, Order No. 2008-253, *also* be cancelled.

I enclose the original, along with an extra copy and a self-addressed, stamped envelope. If you could file-stamp and return the extra copy in the enclosed envelope I would be most grateful.

NOTICE AND ATTESTATION

My name is David J. Robinson and I am Regulatory Affairs Director of Syniverse Technologies, Inc. (Syniverse)

I swear or affirm that I have personal knowledge of the facts stated in the Notice and Attestation, that I am competent to testify to them, and that I have the authority to make this Application on behalf of Syniverse. I swear or affirm that Syniverse Technologies serves no (zero) customers, operates no (zero) phone numbers and derives no (zero) revenue from intrastate telecommunication services in the State of South Carolina.

Syniverse was granted a Certificate of Public Convenience by the South Carolina Public Service Commission (PSC) to offer competitive telecommunications services in Docket No. 2007-466-C. Syniverse has made the business decision not to be a competitive telecommunications carrier or pursue customers in the local exchange.
